On a trip to interact with non-profit organizations in Durham, NC. To explore and engage with companies that put community first. We'll be leaving from Innovation lot at 12:30 PM and return around 5:15 PM.

Museum of Life and Science

An 84-acre interactive park combining indoor science centers with expansive outdoor, hands-on habitats. It features a top-rated butterfly house, wolf/bear/lemur habitats, a Dinosaur Trail, and a miniature train. A top, immersive, and educational destination for families.

Scrap Exchange

One of the nation's largest creative reuse centers, offering an immense, affordable, and constantly changing inventory of craft supplies, fabrics, and industrial materials.
